

Kitchen Craft Integra Frameless Cabinetry Features and Construction Details

- **Frameless Cabinetry:** Provides approximately 10-15% more storage than the same sized traditional framed cabinet. Wall cabinets are 11 3/4" deep and base cabinets are 24" deep as standard.
- **Warranty:** Limited Lifetime Warranty on cabinetry and cabinetry components including hinges and drawer glides.
- **Customer Care Kit:** Kit includes a touch-up stain pen, a wax stick and applicator or one touch up pencil and one ounce of paint.
- **Hardware:** Selections from Kitchen Craft's Hardware Collection can be purchased separately from cabinetry.
- **Drawer Construction:** 5/8" thick hard maple dovetailed drawer boxes with full-extension, undermount, Blumotion soft-closing drawer glides, rated to support 75 pounds.
- **Door Hinges:** European self-closing concealed 110° hinges on doors. Upgrade to soft closing adapter for additional charge.
- **Shelf Construction:** 5/8" thick furniture board full depth shelves finished in choice of maple or white melamine as standard. Upgrade to plywood construction for 5/8" thick wood shelves with maple veneer.
- **Cabinet Sides:** 5/8" thick furniture board with maple or white melamine as standard. Exposed sides will be veneered with matching wood and finish to door or matching melamine or laminate. Upgrade to plywood construction - interiors will feature natural birch veneer on shelves and interior of box.
- **Cabinet Tops and Bottoms:** Tops and bottoms are doveled into cabinetry sides and reflect cabinet interior finish.
- **KCMA:** Kitchen Craft is a certified member of the Kitchen Cabinet Manufacturer Association's (KCMA) Environmental Stewardship Program and is a subsidiary of the MasterBrand Cabinets, Inc.
