

Mouser Centra Framed Cabinetry Features and Construction Details

Framed Cabinetry:

- Semi-custom, traditional full-frame construction with the choice of overlay or inset cabinetry doors.
- Available in Cherry, Maple, Painted Maple, Select Alder, Knotty Alder, Red Oak and Walnut.

Warranty:

- Ten Year Limited Warranty on Centra Cabinetry.
- Limited Lifetime Warranty on dovetail drawer boxes, drawer slides and hinges.

Cabinet Construction:

- Cabinet construction consists of solid wood face frames and an all plywood cabinet box with MapleLam Interior, a simulated Maple Wood Grain known for durability.
- Face Frames are 3/4" solid wood, glue/doweled to insure case rigidity and squareness.
- All exposed cabinet sides on Centra Cabinetry will have flush, finished end panels at no additional charge.

Shelf Construction:

- Adjustable shelves are 3/4" thick engineered furniture board with MapleLam surfaces.
- Plywood shelves with MapleLam surfaces are optional.

Drawer Construction:

- 5/8" thick, solid wood dovetailed drawers.
- Dovetail drawers have solid Beech sides, fronts and backs with veneered MDF core bottoms.

Drawer Slides:

- Full extension, soft close drawer slides are available on drawers and pull out drawers.
- The undermount slides maximize drawer storage.

Doors:

- Doors are produced using mortise/tenon and dowelled miter joint assembly methods.

Door Hinges:

- Concealed, 6-way adjustable hinges with a one-piece assembly are attached to the cabinet frame. The concealed hinge has an opening angle of 108 degrees and requires a minimum 2-1/4" stile or rail.

KCMA Certified:

- Mouser Cabinetry has earned the environmental stewardship certification by the Kitchen Cabinet Manufacturers Association.
